Dear Mr. Reichter.

Thank you for your letter and the very kind comments. I hope the C-T will continue to print my book reviews and op-ed columns.

I knew Harold Weisberg and spent some time with him during the Garrison investigation. Thanks for your offer of a copy of Whitewash, but I have it, and others by Harold. Your letter was a good reminder to re-read some of the material on the assassination.

Best wishes.

Jim Mitchell
